Dear Friends and Cattlemen,

On behalf of the American Chianina Association, The ACA Board of Directors, and the ACA Sale committee, I would like to welcome you to the 2010 National Sale.

As you sort the offering, I am confident you will find a great set of heifers that will not only have success in the show ring but in the pasture. Only at the National Sale will you have the opportunity to purchase genetics from some of the top programs in the country in both live and frozen genetic form. We are offering flushes and embryos on some of the most prolific producers in the country.

As always, if I can assist you any way, please feel free to contact me.

Kevin Mears

Dear Friends,

With all that is going on this time of year, one thing is certain, the enthusiasm of the ACA membership is second to none. This is reflected in the quality offering in this National Sale. Live, eggs, or a flush, the genetic potential is top notch and constant through every lot. We appreciate the pride our breeders have shown in the consignments. When these opportunities change hands, there will be no disappointment.

The evening will be filled with great cattle and even better people. Let me know if I can help in any way,

Tanner Winter
Director of Marketing and Performance Programs

Whisper 011 is our first calf out of one of the most popular Chiangus females that was exhibited at the 2009 ACA National Show. Her dam, RSRS Whisper 2CA, has not disappointed us with her first calf, and we are confident that this calf will be the 1st of many good ones from this cow. Her dam was purchased from the Sheets family of Indiana in the 2008 ACA National Sale. We confidently use Ali on first calf heifers because the results have consistently been very good for us. This one is solid backed by great genetics. Whisper 011 will be an extremely nice junior show heifer project. Venture Farm • Bath, Mi. 517.230.8502

This heifer is a genetic gem, a granddaughter of the great Lace cow who is the mother of the 1999 National Champion, and the granddam of the 04 National Champion. This heifer's mother is a three quarter sister to the 1999 Champion. She is a double bred Eagle Scout and is the first calf to sell as a single lot out of Ace In The Hole. She has been a pasture favorite with everyone that has seen her. She is long spined, deep bodied, and extremely easy moving. It's hard to imagine making one much better than her. Don't miss out on this opportunity.
