Dear Friends and Cattlemen

On behalf of the Pennsylvania Shorthorn Association, I would like to welcome you to the Keystone Shorthorn Classic. The members of this association are good folks along with being progressive breeders and always keeping the cattlemen and the end product in mind.

As you sort the offering, I am sure you will find real nice quality.

While this will not be a large event, it will be one that offers a little something for everyone! Check out the embryo lots, some of the best genetics in the breed will be offered! Also, be sure to notice this is the first year for the Shorthorn Plus cattle to be offered. Be sure to check out some of our plus embryo packages.

As always, if I can assist you any way, please feel free to contact me.

Kevin Mears
